ADJUDICATOR'S REMARKS

You start well - but suffer with intonation (esp?)
 A little 'static' to open - tempo / flow.
 Try to keep some 'life' in the sound (not dull)
 p to pp must change ... do not start too quiet
 I passion?

This feels & sounds very nervous.
 early into J well done - confident ✓
 This flows but is suffering from v. poor intonation
 - players must listen!!
 v3 nice flow - correct brass.
 M - not quite
 P+ is a little 'raggy' loose
 U - balance not 100%
 Y - again rhythm not 100% how?
 Z before BB x A + !!!
 DP + not quite together - perhaps
 contest extremely?

Some fine elements with lapses of concentration

Thankyou
